SION STORM GOLF ARCHIVES - 2011

## Golf News

After winning the district tournament, the golf team placed 8th at the shortened MSHSAA Class 2 tournament. They were led by Grace Keane (16th), Amanda Malecki (49th), Hannah Malvey (49th), Maura Healy (80th) and Claire Kramer (83rd).

Dear Golfers:

The golf season is fast approaching and I hope you have all been practicing. Coach Welsh and I know we are going to have another great year and are excited to get started. I have enclosed a practice schedule for the first week. We practice, and play our home matches at Minor Park and Blue Hills golf courses. On the first day we will have a meeting and then plan to play or practice depending on your ability. You will need your clubs, water bottle, and any snacks you might want. There is a snack bar at the course if you wish to purchase food and drinks. Our tryouts will run from the 8h to the 16th. There will be a 3 day tournament starting on the 9th and ending on the 11th. There will be no cuts the tryouts determine where you will play in the initial line up. If we run into weather problems we will carry over into the next week. The tournament will consist of 18 holes and depending on how you finish will determine varsity or jv for the first couple of weeks. I will go over the details on the first day of practice.

As usual our season will be fast and furious. We will again host an 18 hole JV tournament in addition to our Varsity tournament. Everyone will play in matches which are held after school. You may go to the Sion web site to get the 2011 schedule.

Girls please remember to bring your pink physical sheet with you if you have not turned it into the school. We CANNOT let you practice on Monday without that form turned in. It is fine to bring it with you to practice that day if you wish. Enjoy the rest of summer and I will see you on the 8h.

Coach Welsh and I are both excited for another great year. Please contact me if you have any questions at 815-942-4885 or email me at [dhoeper@kc.rr.com](mailto:dhoeper@kc.rr.com).
